

CRIME REDUCTION

Lowestoft Vision works in partnership with

Suffolk Police, Waveney Norse and CCTV to reduce crime in Lowestoft by providing an all-round service through the security radio system. You have the opportunity to be part of the Security Radio Scheme.

ANNUAL SUBSCRIPTION

For all new radio users to whom we will supply the radio – there is a one-off payment of £150 per radio which is a refundable deposit. The user will maintain and repair the radio at their expense. We will sign it onto the scheme and programme the radio accordingly once payment has been received. We will also provide regular training and support through our network of radio users in the town and our links with the Police. The fee also contributes towards the management of the scheme and upkeep of the base station. All fees are exclusive of VAT.
